***Leading Interior Designer Earns LEED AP
-Cheryl Doran Becomes Accredited Professional-***

(Springfield, MO) Pellham Phillips Architects and Engineers announced that Cheryl Doran has been recognized as a LEED Accredited Professional by the Green Building Certification Institute. With a thorough understanding of green building practices and principles and the Leadership in Energy and Environmental Design Rating System, Doran has demonstrated the knowledge and skills necessary to successfully steward the LEED certification process.

Doran is currently Project Manager for the Killian Softball Stadium which is scheduled to be LEED Certified. In addition to being LEED AP and Senior Interior Designer for the firm, Doran is also responsible for Client Relations, Project Management, and Human Resources. A graduate of Missouri State University with a Bachelor of Science Degree in Commercial Interior Design, Doran has her Master's degree in Business Management from Webster University.
